

## NEW SHOOTERS CLINIC

APRIL 24, 2010

BUTLER'S ARENA, OAK GROVE, MO

9:30AM CHECK IN; 10:00 AM START

WEATHER AND ARENA CONDITIONS PERMITTING!

Come and experience riding old west style! Experienced shooters and horsemen will be showing you the ropes on riding and shooting cowboy style. Bring your horse and a good stout halter; and if you have them, .45 caliber pistols. Starting on the ground, you will learn to handle the guns including gun safety, and your horse will work on handling the gunfire. You and your horse should be able to work the pattern together by the end of the clinic. Come ride and shoot with us & have a blast!!!

We welcome all enthusiasts that would like to learn and participate in the old west style sport of Cowboy Mounted Shooting. This clinic is designed for those who are new to the sport, but is also great for training a new shooting horse, or wranglers ready to move up to shooting level. Each participant will get one on one training, as well as group work. This clinic is the place to try the sport before acquiring any special equipment. For the details about horses, firearms and gun leather, please call the contact listed. Participants will need to provide their own mount and tack, be in safe riding attire, and present current negative coggins papers.

### *What is Cowboy Mounted Shooting?*

Cowboy Mounted Shooting is one of the nation's fastest growing equestrian sports. Mounted contestants compete using two .45 caliber single action revolvers, each loaded with five round of specially prepared blank ammunition. The first half (5 balloon targets) of a course will vary with each go and can require the horse and rider to stop, turn, change leads, and to accelerate rapidly. The second half (5 balloon targets) is called the "run down." The run down is a straight course with targets set at approximately 36-foot intervals. The scoring is based on elapsed time plus five second penalties for each missed target or knocked over barrel.

### Bring Form to Clinic with you!

RSVP to: [ljkerms@tripleacres.com](mailto:ljkerms@tripleacres.com)

Questions? Steve @ 816-215-9890
